#### Report of three days FDP on "Qualitative Teaching" from 02-09-2019 to 04-09-2019

MCEM College, organized FDP on "Qualitative Teaching" on 02-09-2019 to 04-09-2019 in seminar hall for the faculty members of the college.

Expert for the FDP was Dr. Surya Kumar Jha, Ex-principal CTE, Chapra

Dr. Surya Kumar Jha started the session by explaining "Qualitative Teaching" focuses on the outcomes of learning, learning skills ability to explain abstract concepts in a simple manner. Qualitative teaching is the art of science or technology of impacting quality (valuable, worthy, rewarding, effective) and time-invariant knowledge and skill.

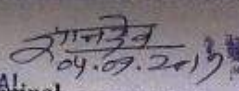

He shared method of qualitative teaching and explain why outcome based learning is important in various way. He explained that simple and quality teaching are easily understand by students and it increase the ability to understand the concepts. Case studies are on the best practices of qualitative teaching.

Institutions are now adopted the outcome based syllabus; it helps the students for learning efficiently and for teachers to improve their skill and knowledge.

He explained various techniques linked with teaching such as filed work, live project, school internship programme, training and development program, student's development programs and how it will help in student's career growth.

Faculties were actively participated in the program and shared their views on learning.
